The Director,
GAS360,
Lagos State.

Sir/Ma,

CHIEF TECHNOLOGY OFFICER (CTO)

I write to you to express my interest in the Chief Technology Officer (CTO) position with the GASS360. After reviewing the position requirements, I strongly believe that my qualifications and skills are a great fit for the kind of candidate the company is looking for.

the value I will bring includes a strong skill set which I have developed through my academic experiences. I am a well seasoned full-stack web developer using the Laravel PHP framework with over five (5) years of work experience, significant contributions to team projects, collaborative efforts, and achievements with quite some projects built and presently managing. Also, I have proficiency in the use of Moodle LMS (Learning Management system) platform as well as the use of Microsoft suite.

As my enclosed resume indicates, I offer the skills and knowledge that you require in a chief technology officer, along with an eagerness to build, learn, and share knowledge. Thanks for your time, I look forward to hearing from you at your earliest convenience.

Sincerely,

Benjamin Alenoghena.
